RE: Recent Pet Food Recall

JAKKS Pacific sells two brands of pet foods containing wheat gluten, specifically AKC® Moist Jerky Treats (in multiple flavors) and White Bites™ oral care treats. We do not sell any other consumable pet products that contain wheat gluten.

We utilize two manufacturers for these two products, and each has provided us with written assurances that the wheat gluten used to make our products is food-grade wheat gluten that is sourced and manufactured the United States and not subject to the recall.

Sincerely yours,
